Dear Parents,

As we finally have some sunny and warm weather, please can we remind you to make sure that children have a sun hat and a refillable water bottle in school every day. Children should also have sun cream applied before they come to school and be reminded to reapply the cream at break and lunch times. We will also be reminding children to apply sun cream during the day before they go outside.

Safeguarding Awareness for Parents & Carers

Get Moving - Mental Health Foundation: our emotional wellbeing is so important. One of the ways to support our wellbeing is to get them moving and trying different sporting activities. The connection between exercise and mental health has long been established. The Mental Health Foundation, as part of this year's 'Mental Health Awareness' celebrations, has published data on this connection. To find out more, please follow the link below:
