.....

Marazion School is situated in a stunning location on the Cornish Coast. The town of Marazion is the oldest town in Cornwall. The original school building dates from the 1800s, but a new section of the school was opened in 2004. Facilities include 2 kitchens, school hall, spacious reception area, classrooms, school offices and staff room as well as outdoor spaces and places. We encourage the local community to use these brilliant facilities and they are made available during the school day: for example, for fitness sessions and training courses; in the evenings: for example, yoga classes and karate training sessions and at weekends: for example, residential visits for local and national groups and birthday parties and celebrations.

A short walk away is the sea but there are many nearby areas of outstanding beauty eg the historic town of Penzance and the Minack Theatre. The town has a range of pubs, hotels, shops and restaurants and there is, of course, the chance to sample a Cornish pasty.

The governors of the school wish the school to be used to the full and offer its facilities for private functions and business meetings as well as for the use of the wider community.

## LETTINGS POLICY

1. It is the policy of the governors that some school premises and facilities shall be available by outside bodies at the discretion of the Headteacher, subject to them not being required for any organised activity within the school and consistent with the school ethos. For the purpose of this policy the premises and facilities will be referred to as the facilities. It is a basic principle that the facilities are provided for use in the normal educational and extra curricular life of the school and so any use by external bodies, groups or individuals, will always be of a lower priority than any internal use.
2. For the purposes of this policy the use of the facilities by organised bodies formed with the sole purpose of supporting the school will be deemed to be use by the school itself. Use by any other bodies associated with the school eg clubs, associations will be deemed to be use by external bodies.
3. The use of facilities by the school will normally not be subject to any charge. Use of the facilities by external bodies will be subject to the charges detailed in the appendix attached. The charges will be reviewed annually by the Finance Committee and Headteacher. The exception to no charges for the school will be at the discretion of the Headteacher and Chair of Finance.
4. The booking of all use of the facilities, both by the school and external bodies, outside the school timetable and calendar will be the responsibility of the Business Manager. Letting applications should be submitted in good time.
5. On receipt of a letting application the Business Manager will inform the person making the request that the booking is confirmed and the estimated charges involved.
6. The Business Manager will inform the Caretaker of the specific needs of the booking. The Caretaker will safeguard the facilities of the school during any hire and will immediately report any damage incurred. Hirers will be responsible for providing his/her own stewards for the event and for any breaches of copyright, performing rights and the betting, gaming and lotteries acts.
7. Payments for 'one off' lettings must be made in advance. There may be additional damage charges - 'damage' will include the causing of unreasonable cleaning requirements following a hiring. The caretaker will survey and note the condition of the premises/facilities after the event.
8. The Caretaker and/or Headteacher have the right to terminate any hiring if, in their opinion it is not properly or safely conducted.
9. Longer term lettings will be considered by the governing body and any special conditions may be added to the letting's agreement.
10. Long term lettings will pay regularly.
11. Lettings are approved on the understanding that extremist views of any kind are not promoted at any time. If this is found to be the case, then the visitors will be asked to leave the premises immediately. The police will be informed and the visitors may be banned from the school premises.
